

New Golf Software Launch

20/04/2023

Dear Member,

Macleans Golf Club has launched its new golf software this week.

All existing bookings will automatically be transferred into the new golf software. Whilst this occurs there may be times when your preferred timesheet is closed.

If you experience this, please contact the Pro- Shop who will assist you on 6645 2183.

Members will enjoy several benefits with our new golf software including easier navigation, fast booking, and real-time reporting in regard to your house accounts.

Access

Access to the new golf software and online golf bookings will be through the same Member login on our website.

Simply go to www.macleangolfclub.com.au and click on bookings. (This link is being updated to Simple Golf sometime this week, so you may still see the 'old' version for a few days)

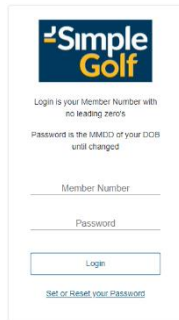

Bookings can also be made via the kiosk upstairs in the bar (the same terminal as where you enter your scores).

Username and Password

Members Sign In using their Member Number (without the leading zeros) and Password.

Please note your Password will be the day and month of your birthday, for example, if your birthday is 14 May then your Password will be 1405.

(the password may be changed after initial login – via profile, change password. The new password will need to be 7+ characters with 1 uppercase and 1 number)

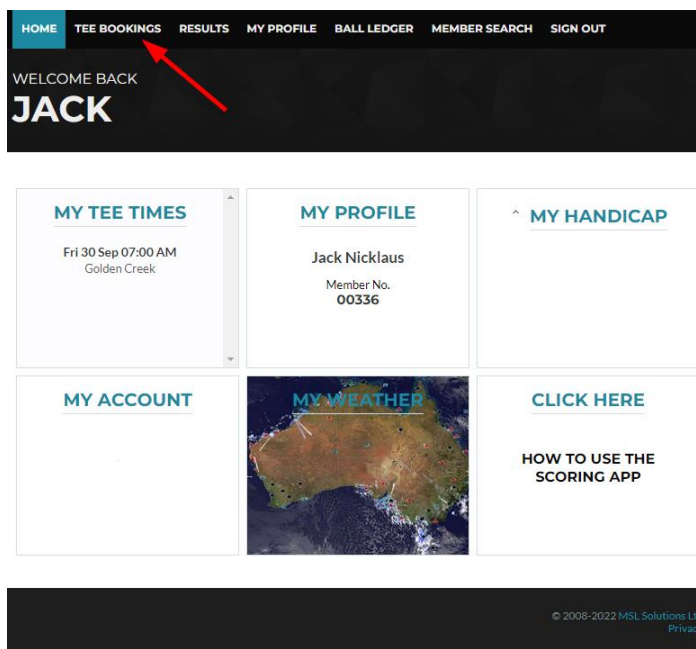

The login form for Simple Golf includes the following elements:
